

## Gifts for Dogs

The Shopping Detective: Episode FLSDT-108

### *Puppy Presents*

When looking for a gift for that "four-legged" friend, consider what kind of presents you buy for your own pet. Usually, those would make the best gifts for your other canine friends.

Think about these ideas for gifts:

- The Basics - clever, cute, updated versions of the basic needs of owning a dog.
- Specialty Treats - always a lip smackin' favorite
- Toys! - Play!
- Fashion - even if you don't care to don the latest fashion on your pooch, there are some great garments out there for pups. Everything to a basic sweater for warmth to formal wear.
- Doggy Donation - for the dog that has everything, consider giving a donation to his favorite charity in his name.
